

The Lion, The Witch & the Wardrobe			
Class Group Rehearsal Schedule for Final week of Term Three and Show Week.			
<i>(If you were cast in a role of any sort at auditions - you need the FULL rehearsal schedule - not this one!!)</i>			
If you are a member of a class at HSPA this is a list of your practises and performances for our whole school show at the end of the term.			
Please understand that start times are exact and end times are approximate - it is impossible to predict how our large cast will progress, this is our very best guess. It comes with over 20yrs experience, but it is not going to be perfect.

We appreciate this is a fair few rehearsals, but with over 200 students in the cast and a team of young leaders to mentor, we need to ensure everyone is ready. Working with young people can be unpredictable and we do not want to rush this process. <u>We want all of our performers to feel confident and important in our shows. Thus we want to take time to work through the entire production.</u> Doing our show like this with our younger students was not in our original plan, but it is the only way to ensure all students get to be part of a show at HSPA this year. For that reason we ask for your patience and co-operation as best you can with getting your kids along to these rehearsals and communicating with us about your needs. We will communicate all requirements clearly and with as much notice as we can, <u>do not feel afraid to speak to us, we want to answer your questions</u> and help you enjoy your inclusion this show as much as we all enjoy creating it. We are here to make this experience rewarding for you and your children and will do everything we can to be on time as well as supportive to the needs of our cast.			
PLEASE NOTE: Some students are in Junior classes for one discipline and Upper Junior for another. If this is the case, you will need to be present for all rehearsals and performances for your Upper Junior class, but for some rehearsals and performances you will not be performing your Junior class item.			
I know this is confusing but we need to draw a line for the youger ones as all rehearsals and performances will be too much for them.
