

FULL Rehearsal Schedule - The Lion, the Witch & the Wardrobe

This schedule is for all students who auditioned and were cast in any role at all.

If you did not audition for the show - you do not need this schedule, you only need the 'Class' Schedule!

Please note all start times are exact and all finish times are approximate.

Please arrive early so you are ready to start on time.

If you are a named part or a character group part, please check the 'Scene Break Down' document so you know which scenes your character needs to attend blocking practises for. The schedule says 'See Scene Breakdown' to help you know which ones these are. *Blocking is the name we give to rehearsals where we work out all the acting movement on the stage.*

TBA - This means 'To Be Arranged'- please keep these times free, they are to fix up unforeseen problems and it might be scenes you are in.

DO NOT ask to be absent from the rehearsals, you must attend these!
